THE SECURE, EASY, CONFIDENT WAY TO TRANSFER ACADEMIC RECORDS

Students, schools, colleges, state agencies: they all rely on Docufide's trackable, privacy-protected, dependable delivery of student records and transcripts.

From K-12 through grad school, you can be ready to send, receive, and track information in minutes (with no ongoing maintenance or hardware/software costs) through the nation's largest network for electronically transferring academic records. Students or their schools simply complete an online request form, and they can all then monitor the progress of every request — online and on-demand.

Nearly two dozen state education departments and more than 3500 schools across the country trust Docufide to deliver accurate, timely records to any destination — electronically or in print — as Education's Trusted Intermediary™.

Select the tab at the top that's right for you and make the processing of transcripts and academic records easy, fast, secure, and trouble-free.

- 4) Enter the High School Name and click **Search**. Next click the radio button next to the school's name and click **Continue**.

The screenshot shows the 'Secure Transcript' request form. At the top, there is a 'Request Transcripts' header with a 'Help' link. Below the header, a welcome message is followed by instructions to identify the school. A search form is provided with two tabs: 'High Schools' and 'Colleges & Universities'. The 'High Schools' tab is active, showing a search for 'Saint Ignatius' in the 'Name' field, with empty fields for 'City' and 'State'. A 'Search' button is located below the search fields. Below the search form, a list of 'MATCHING SCHOOLS' is displayed. The first entry is 'Saint Ignatius College Preparatory' in San Francisco, CA. A radio button is next to the school name, and a 'Continue' button is to the right of the entry. A 'Can't find your school? Click Here' link is at the bottom left. A 'Continue' button is also at the bottom right of the page.
