The middle school scholarships will be awarded at our annual Honors Night. *The application includes an essay, so students can NOT wait until the last minute to run in and pick up an application!*

### Honor Roll Breakfast

How proud we are of the 408 students who were honored at the Honor Roll Recognition for their work during the 3<sup>rd</sup> marking period of the 2011 - 2012 school year.

It is an honor to be able to express how proud I am of the students and the work that they accomplished.

It is fitting and right that we take time to acknowledge the students who work hard in class and push themselves to excel academically; the very point of school itself.

Congratulations!

### 5<sup>th</sup> grade Parent Orientation

LMS is hosting an orientation for the parents of 5<sup>th</sup> graders on Wednesday, May 30 at 6:30 p.m. in the middle school gym. That evening you will meet our 6<sup>th</sup> grade guidance counselor, Mrs. Blough, Principal, Mr. Messenger and Asst. Principal, Mrs. Grunert. ## Social Networking Sites: A Parent’s Guide

### Help Kids Socialize Safely Online. Excerpts from [www.onguardonline.com](http://www.onguardonline.com)

The Federal Trade Commission, the nation’s consumer protection agency, urges parents to talk to their tweens and teens about social networking sites, and offers these tips for using these sites safely:

- **Help your kids understand what information should be private.** Tell them why it’s important to keep some things — about themselves, family members and friends — to themselves. Information like their full name, Social Security number, street address, phone number, and family financial information — like bank or credit card account numbers — is private and should stay that way. Tell them not to choose a screen name that gives away too much personal information.
- **Explain that kids should post only information that you — and they — are comfortable with others seeing.** Even if privacy settings are turned on, some — or even all — of your child’s profile may be seen by a broader audience than you’re comfortable with. Encourage your child to think about the language used in a blog, and to think before posting pictures and videos. Employers, college admissions officers, team coaches, and teachers may view your child’s postings. Even a kid’s screen name could make a difference. Encourage teens to think about the impression that screen names could make.
- **Remind your kids that once they post information online, they can’t take it back.** Even if they delete the information from a site, older versions may exist on other people’s computers and be circulated online.
- **Talk to your kids about bullying.** Online bullying can take many forms, from spreading rumors online and posting or forwarding private messages without the sender’s OK, to sending threatening messages. Tell your kids that the words they type and the images they post can have real-world consequences. They can make the target of the bullying feel bad, make the sender look bad — and, sometimes, can bring on punishment from the authorities. Encourage your kids to talk to you if they feel targeted by a bully.
- **Talk to your kids about avoiding sex talk online.** Recent research shows that teens who don’t talk about sex with strangers online are less likely to come in contact with a predator. If you’re concerned that your child is engaging in risky online behavior, you can search the blog sites they visit to see what information they’re posting. Try searching by their name, nickname, school, hobbies, grade, or area where you live.
- **Tell your kids to trust their gut if they have suspicions.** If they feel threatened by someone or uncomfortable because of something online, encourage them to tell you. You can then help them report concerns to the police and to the social networking site. Most sites have links where users can immediately report abusive, suspicious, or inappropriate online behavior.

## Honors Night 2012

Mark your calendars for Wednesday, May 23, 7:00 p.m. for our annual Honors Night in the Lakeshore High School Auditorium. Students who have earned Honor Roll status will be invited to attend and, of course, we encourage parents to come and applaud their child’s achievements! Honor Roll status, which is determined by first semester and 3<sup>rd</sup> marking period grades ~ not an average of the two ~ is as follows:  
Straight ‘A’ Honor Roll: All ‘A’s 6, 7, 8, grades  
A/B Honor Roll: All A’s and B’s 6, 7, 8, grades  
Academic Honors: 3.25 or higher 6, 7, 8, grades  
President’s Education Award: 3.50 or higher every semester in 6, 7, 8 grades. 8<sup>th</sup> graders only.

Note: Honor Roll information is included in our Student Handbook, page 11.

## 8<sup>th</sup> grade Time Capsule

Parents ~ please read!

The students in the 8<sup>th</sup> grade English classes are creating a personal time capsule that will be delivered to them in May of their senior year. Would you like to surprise your child with a letter in the time capsule? Letters may be written by parents, grandparents, siblings, etc. The content of the letter is up to you, but the students will be reflecting on the following categories in their writing: me, my world, people in my life, my past, what I do, and my future. You can e-mail a letter to your child's English teacher (Mrs. Veldman or Mrs. Czech) drop it off in the office, or mail it to LMS. This is an optional activity to enrich the project, but we are sure your child will appreciate reading your writing. The letter should be delivered to school by **Friday, May 25**. Thank you for your cooperation in this project.

## NIKE'S Reuse-A-Shoe Recycling Drive

Do you have old, worn out athletic shoes taking up space in your closet? The Lakeshore High School Assets Advisory Committee (AAC) has just the solution, and they would like to help you put those old shoes to good use. The AAC is holding their 5<sup>th</sup> annual shoe collection drive April 15 - May 15, 2012.

The recycling effort is part of Nike's Let Me Play program, Nike's global campaign that helps give the ability for kids to unleash their potential through sport. They recycle the shoes into what they call their Nike Grind, which uses every part of each shoe. This recycled material is then used to create playground surfaces, basketball courts, running tracks and other athletic surfaces for children all over the world. It takes approximately 2500 pairs of shoes to create one playground surface or one basketball court. It takes 75,000 pairs to create a running track or soccer pitch. If you are interested in learning more about NIKE's Reuse-A-Shoe program, visit their website at [nikereuseashoe.com](http://nikereuseashoe.com)

You may drop off your old athletic shoes at any Lakeshore School between April 15 and May 15. There are collection boxes in the lobby of each school.

### ATHLETIC SHOES ONLY ~ ANY BRAND

- No shoes containing metal
- No cleats, dress shoes, sandals or flip flops
- No wet or damp shoes, PLEASE!

Please do your part to help the environment and give kids around the world places to play. If you have any questions regarding the shoe drive, please call AAC advisor, Lori Doggett at 428.3379.
