**\*\*\*\*\* CLASS LIST POSTING FOR 2018/2019\*\*\*\*\***

**This Fall we will be presenting our class list assignments to our families in a new format. Historically we have posted our class lists the night before our meet-and-greet in August so that your child could see whose class they are in. Based on several parent requests for this to change, and in the interest of child privacy, we will not be doing that this coming school year.**

**This summer you will receive a PowerSchool Login for your child in the mail and it will allow you to login and see who your child's teacher is near the end of August. You will have a "Welcome Back" letter coming in the mail that will include the PowerSchool information, along with the other important back-to-school dates and information that you'll need.**
