

August 3, 2020

Hello Roosevelt Families,

I would like to take this opportunity to formally introduce myself and express how excited I am to be your child's principal. I am looking forward to our year together, however that may look. Superintendent Freeman sent his latest update on Friday and I would like to encourage you to check out the resources available on our website. You can view the Fall learning options under the Announcements here:

<https://www.lpslancers.net/>

I have been in education for twenty years and as many of you know, a few of those years were spent teaching Kindergarten at Roosevelt! Last year I served as the principal at North Elementary in Watervliet. I enjoyed my time in Watervliet and am so grateful for the experience I gained. When the Principal position at Roosevelt became available I knew that I would love nothing more than to return home to Lakeshore. I am thrilled to be here and am looking forward to serving our Staff, Students, Roosevelt Families and our Lakeshore Community.

My husband Dustin and I have three children. Madeline is a Junior at LHS and our twins, Avery and Olivia, are 8th graders at LMS. I am always very proud to talk about the incredible education that they have received as Lancers. Our three children went to Roosevelt, as well!

Our staff at Roosevelt is an incredible one! If you are new to the area or just new to our school, I look forward to feeling the "warm Roosevelt welcome" this Fall, that so many of our families talk about. Speaking of Fall...I know it feels as though things are uncertain and many of you may be struggling with deciding whether to send your children in person or whether you should enroll in the Lakeshore Virtual Academy. Regardless of which option you choose, I am here to support you and answer any questions you may have. Our administration has been hard at work with planning and we truly want what is best for our students and our staff. Please feel free to reach out to me at any time.

I hope you enjoy this last month of Summer!

Yours in Education,

Rachel Kyncl
