**Painting Day at the Hollywood Garden
Saturday, October 9, from 9:30 to 11:30 a.m.
Rain date, October 16 at the same time**

Attention, helpful Hollywood parents!

We need to get some painting (actually, staining) done in the school garden so that wooden structures there will last a long time. Can you give 2 hours to help us out? We will be staining the bridge across the garden pond, the exposed exterior wood on the kitchen cottage, and the picnic tables. Equipment will be provided.

Kids are welcome to play on the playground or explore the garden, but will not be staining

Donuts, coffee and juice for anyone who shows up!

Many hands make for light work!

RSVP to Perry Heppler, pheppler@lpslancer.net

Food Service Help Wanted:

Lakeshore Public Schools is hiring subs in the Food Service Department. This is a great job for Moms or Dads with kids in school looking for part time work. You get summers off, holiday breaks, done working by 2:00 and great flexibility. If you are hired into a full time position there are benefits including sick days, retirement plan and holiday pay (and you get to see lots of smiling kids every day!) If you are interested in joining a great team please contact Pam Greiffendorf at 428-1400 x 2965

Picking up a child for an appointment

If your child is leaving early for a dental/doctor appointment please make sure the teacher has been notified of their early departure and cc Mrs. Peden jpeden@lpslancer.net so we can have them ready. If they are arriving back from an appointment, they should have an excuse slip with them. If they are having school lunch please communicate with the teacher the night before or early morning so a lunch can be added. When you arrive you may come and sign your child in or call 428-1414 and someone will come out to get your child.

Fifth Grade Band

Instrument fittings will be held at Hollywood for all fifth grade students on **Monday, Oct. 11.**

Informational band meeting will be on Monday, October 18th at 7 pm in the high school cafeteria. Band classes will begin the week of November 1st. More information about which days your student will need to be at the high school or middle school will be presented at the meeting October 18.
