 The Berrien County Health Dept. will be here October 19 through the 22nd. Kindergarten will have a hearing test, 1st and 3rd grades will have hearing and vision tested and 5th grade will have vision tested. Forms are coming home for you to complete and return. Any student that is absent or fails the preliminary hearing will be rescreened at the follow up date. Vision screening and rescreening is typically performed the same day, unless a child is absent or forgot glasses at home. We will then screen vision on rescreen day.
