Food Service

MEALS FOR THIS SCHOOL YEAR

To Parents/Guardians,
Welcome to the 2021/2022 school year. The **USDA has provided a waiver for all students to receive a free breakfast and a free lunch while at school.** If a student brings a lunch from home and needs a juice or milk they can purchase this for \$.60. Please have money in their account to purchase drinks. Checks or cash in an envelope with the student's name can be given to their teacher. If you would like to set up an account to see if your child is eating meals at school or purchasing drinks please go to: mymealtime.com. **Please explain to younger students that they will be offered a breakfast but do not need to take it if they have already eaten at home.** Breakfast will be eaten in their classroom. Lunch will be eaten in the cafeteria.

Please view the menus on our website under food service. We are experiencing many out of stocks with our distributor. We will try hard to provide what is on the menu but on occasion there will be substitutions.

Please fill out the free/reduced meal applications if you feel you would qualify as approval has additional benefits and also helps with school funding. The applications came home the first day of school.

We look forward to serving your children. Please feel free to contact me at 269-428-1400 x 2965 with any questions.

Thank you,
Pam Greiffendorf
Food Service Director

Late Start Wednesday

September 8 will be the first late start Wednesday. Please wait in vehicle until the adults comes to open car doors. School doors open at 8:55 am, and school starts at 9:10 on late start Wednesday. Elementary buses will run 50 minutes later.

Back to School Night, September 16

Our Back to School event will be held in person this year. In following our district's Return to Learn Plan, we would strongly suggest that you wear a face covering to this event.

In an effort to meet the needs of our families, we are asking families to limit Back to School Night attendance to 1 adult per household per student.

For those families who do not feel comfortable to attend the in-person Back to School night, our classroom teacher(s) will share their presentation before the event.

Our teachers are excited to get to know you and your family. Please join us

Y5-2 grade parents attend 6-6:45 pm in your child's classroom

3-5 grade parents attend 6:45-7:30 pm in your child's classroom

This is a time to meet the teacher, hear the expectations for the year and to leave excited for an awesome 2021-2022 school year. Look for info to come home soon on the PTO Harvest Fun Run.1234
