

Lakeshore Public Schools is hiring subs in the Food Service Department. This is a great job for Moms or Dads with kids in school looking for part time work. You get summers off, holiday breaks, done working by 2:00 and great flexibility. If you are hired into a full time position there are benefits including sick days, retirement plan, holiday pay and free pass for sport events (and you get to see lots of smiling kids every day!) If you are interested in joining a great team please contact Pam Greiffendorf 428-1400 x2965.
