

Welcome!

**THESE DIRECTIONS ARE FOR THOSE THAT DO NOT HAVE STUDENTS ENROLLED AT LAKESHORE PUBLIC SCHOOLS**

Lakeshore Public Schools has joined with EZPay to provide parents an on-line system to pay fees and or make purchases. You may use your credit/and or debit card for the online transaction.

Anyone who wants to use the on-line system must first create an account. If you have a student in the district, you will need to register a little bit different. That information can be found on the LPS website under For Parents and the eZpay link. The district does not keep your credit card information on file and you will need to re-enter your credit card number each time you use the online system.

You can access the new on-line payment website by going to our district website (<https://www.lakeshoreschools.k12.mi.us>), then click on **EZpay** found under For Parents to be transferred over to the payment site. Complete the registration by clicking the **create an account** button on the left hand side.

This will walk you through the 3 ez steps to creating an account. First, Input your name, email address, and create your password.

**3 ez steps...**

- 1. **Register.** Please provide your Name, Email address, and create a Unique Password for EZpay.
- 2. **Agree to terms.** You will be provided with our Terms of service screen which you can review and by clicking "Next" you will be taken to the last step, where you can add students to your account.
- 3. **Add your students.** Now simply add your students to your account by providing us with their student id and last name.

**1 Register**
